Announcements

Wednesday Bible Study

Pastor Hugh is currently doing an in-depth look at Revelation. We hope that each of you will come out and participate in this wonderful series.

Men's Ministries

There will be no Men's Ministries meeting in the month of August. The men will be providing the meal for our Family Fun Day instead.

Women's Ministries

On August 12 at 5:00 pm, our ladies are invited to attend the monthly Women's Ministries meeting in the Family Life Center. We will be having a great time of fellowship and devotion together, and ask that each lady bring a covered dish or finger food.

Family Fun Day / Sunday School Promotion

August 26, we will celebrate our annual Children's Sunday School Promotion. The children will be participating in the morning worship service, and Pastor Hugh will be speaking to the kids and adults. After the morning worship service, everyone is invited to go to the Family Life Center for a meal. We will also have games, inflatables, and prizes for our kids.

Connection Opportunities

Wednesday Night Bible Study

On Wednesday evenings, we offer our adult Bible study. This is an opportunity to go deeper with God through an in-depth study of His word.

This ministry was designed to meet the needs of women of all ages. WM's meet the second Sunday evening of each month in the Family Life Center at 5:00 pm unless otherwise noted.
