Welcome to our service today. We are glad you could join us. If you are visiting our church for the first time, we extend a special welcome to you and trust that your needs will be met as you worship with us. Please fill out a visitor card and place it in the offering bag when the offering is received so that we may have a record of your attendance.

Announcements

Wednesday Bible Study

Pastor Hugh is currently doing an in-depth look at Revelation. We hope that each of you will come out and participate in this wonderful series.

Women's Ministries

On October 14 at 5:00 pm, our ladies are invited to attend the monthly Women's Ministries meeting in the Family Life Center. We will be having a great time of fellowship and devotion together, and ask that each lady bring a covered dish or finger food.

Missions GO Offering

"Go" is the mandate Jesus gave His church moments before He ascended to heaven. It's also the annual IPHC offering to reach the nations. As such, it's a way you can participate in going into all the world to share the Good News with every creature. Please remember to get your Mission's GO offering in by September 30. This year we are trying to raise \$2500.00 to assist the missions department of our denomination.
